OVERVIEW

Huab Under Canvas is nestled in a grove of Mopane trees on the banks of a tributary of the //Huab River in the heart of Damaraland. Protected from all the prevailing winds and sun, the camp is virtually invisible from anywhere around and it carries arguably the lowest environmental footprint of any camp in Namibia. Tents

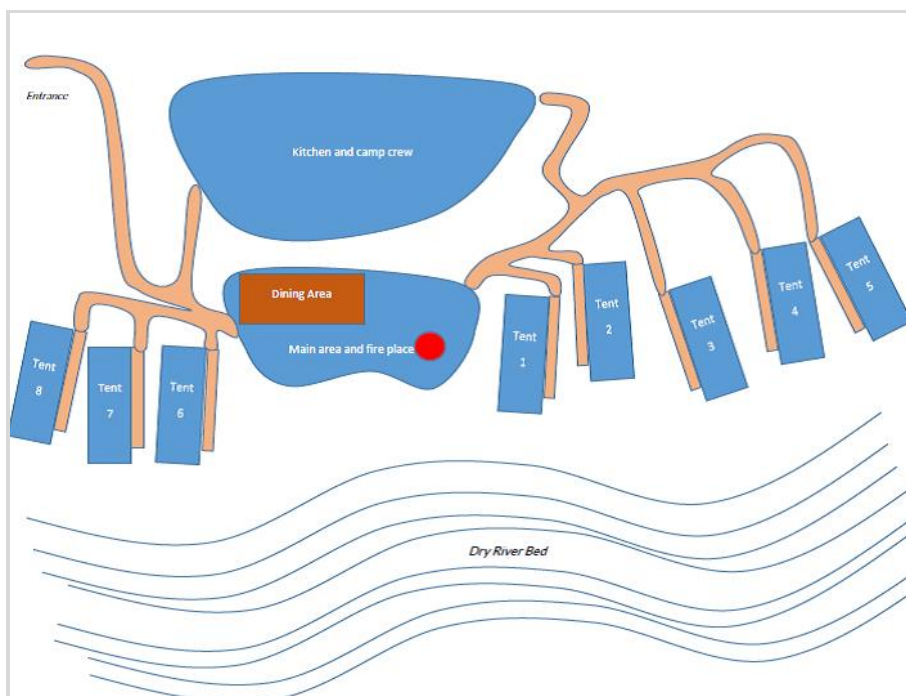

24-hour emergency: **+264 81 141 2275** • Tel: **+264 61 248137** • info@ultimatesafaris.na

are raised on mobile platforms and have basic infrastructure such as single beds, cupboards, solar power and some important comforts such as en suite flush toilets and bucket showers. However, the essence of the camp remains under canvas, mobile and experiential.

AT A GLANCE

CAMP LAYOUT

AREA

Huab Under Canvas is located on a private concession in the //Huab Conservancy. The area is largely sparse semi-arid mountainous savanna, with wooded ephemeral river valleys separating hills and plains and it boasts some of the most magnificent views in Damaraland. As it has a number of natural springs providing water throughout the year for desert-adapted wildlife, the area is home to desert-adapted elephant, black rhino and general plains game, including kudu, giraffe, springbok, oryx, klipspringer and steenbok, as well as predators such as cheetah, leopard, spotted and brown hyena.
